

Please take action to stop the Sinclair Broadcasting Company from forcing their stations to broadcast a political documentary. Not only is this action illegal electioneering, but Sinclair's actions both in this case and in earlier preventing a broadcast of Nightline are clear examples of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Please take action immediately to sanction Sinclair.
